Chris:

I am pretty much available mid-late February. Of course, keep an eye on 2/19, Presidents' Day holiday. GF looks like he is pretty much available as well, with the possible exception of training that shows up on his calendar on 2/13.

Can you check with him and give feedback to Bruce?

Thanks.
Bob

Attached is [Ex. 7(A)] response to EPA's inspection report and a request to have a conference. Please let me know your availability for mid to late February for a meeting here at R3. [Ex. 5 DP / Ex. 7(A)] I can send some dates to [Ex. 7(A)] to see which might work for them. ([Ex. 5 DP / Ex. 7(A)])
